
You can search all balls ever reviewed 2 ways:

- Through Search Our Archives you can enter the ball name or manufacturer to find out what month and year the review was published in BTM. All ball reviews since November 2007 are available for immediate download in our Online Store.

- Log on to our electronic version, Digital Editions , select "Archives" and enter the ball name as a key word and read the full review. This feature is available to subscribers only.

Need help understanding our reviews?

- An overview of our ball testing process
- Check out our quick Ball Notes explanation
- For help with the terminology in our Ball Talk reviews, read our CRASH COURSE IN BALL TALK
- Just need to look up a term? Try our Glossary

Comparing balls?

Each issue of BTM features:

- At-a-Glance ball chart, listing detailed numbers for all balls reviewed by BTM in the past 6 months
- The BTM 3-D Chart comparing total hook and total length for all balls reviewed in the past 6 months, identified by Manufacturer and Price Range See a 3D Chart from a previous issue .
- The Digitrax graphs showing ball paths, entry angle, backend boards covered, hook power, total boards covered, and alpha angle.

- Compare-a-Ball, ranking all balls currently on the market, grouped by Manufacturer. Also see a brief 6-month comparison below.
